2019–2020 Youth Arts Action
Grant Listings**

Youth Arts Action supports projects for youth from infancy through age 24 that occur outside of traditional school hours, taking place in arts venues, community centers, school sites, and other youth-oriented settings.

Children ages 0-5 and school-age youth are a priority for this program, with successful projects demonstrating the ability to cultivate positive social and emotional development, as well as promote artistic expression and creativity. Support for transitional individuals, ages 18 to 24, are an additional priority, with successful projects demonstrating the capacity to engage with transitional youth in relevant, dynamic, and innovative ways.
