

California Arts Council 2019-2020 Arts Integration Training Project Descriptions

Arts Integration Training (AIT) supports nonprofit arts organizations and teaching artists to plan and deliver professional development in arts integration strategies to classroom teachers, as well as site, district, and county-level administrators. AIT projects pave a pathway for increased, equitable student learning in, through, and/or about the arts. Projects can stand alone or be executed in conjunction with an Artists in Schools project.
