

# Cultural Pathways

GRANT OPPORTUNITY

Up to \$30,000 for arts programs in communities of color, recent immigrant and refugee communities, or tribal groups

## About the Grant Program

The California Arts Council is committed to serving the needs of an increasingly demographically complex California. We believe that a healthy arts ecosystem reflects the contributions and creative voices of all of California's diverse populations.

Cultural Pathways provides two years of operating support and a host of technical assistance and professional development tools, resources, and training to small, new and emerging organizations rooted in communities of color, recent immigrant and refugee communities, and tribal or indigenous groups, to strengthen their capacity and to anchor their cultural and creative work into the cultural landscape of the state.
