Organizational Development- Program Goals

- Increase access to best practices in nonprofit and public sector management.
- Strengthen the operations of the applicant organization.
- Demonstrate ability to advance the applicant's organizational mission.
- Develop and strengthen California's arts and culture workforce.

Project Requirements

- The project must be completed by June 30,2021
- The hired consultant must be from outside the applicant organization and cannot be a staff member, board member, or contracted individual serving in an ongoing staff function. If proposing to hire an out-of-state consultant, a strong justification must be made
- Consultant activities must demonstrate long-term impact on the applicant organization
- A signed Letter of Agreement from the consultant and the applicant organization's leadership confirming intention to work together is required
- The consultant's résumé or detailed consulting history and a list of consultant's past and/or current clients is required

Eligibility Requirements

Please review all guidelines carefully for eligibility and program requirements

- Applicants must either be a California-based nonprofit arts organization, artsbased unit of municipal or county government, or tribal government
- All applicants must have a minimum two-year history of consistent engagement in arts programming and/or services prior to the application deadline

Budget Requirements

- Organizational Development does **not** have a matching fund requirement
- The total request for funding in this grant program cannot exceed 50% of an organization's total operating revenue from the most recently completed fiscal year, as provided on the Budget Snapshot at the time of application

Professional Development

Professional Development supports learning activities for individuals in order to build arts and cultural organizations' capacity for sustainability and success

- **Maximum request amount:**
\$3,000.00
- **Grant Activity Period:**
July 1, 2020 – June 30, 2021
- **Application deadline:**
October 25, 2019

Program Goals

- Support professional growth and leadership training for individuals working in the arts
- Strengthen the applicant organization's operational capacity
- Develop and strengthen California's arts and culture workforce

Project Requirements

- The applicant must complete a professional development activity by June 30, 2021
- The activity should demonstrate value and impact on the work of the individual
- The activity should demonstrate the value and impact on the organization
- Documentation for the proposed activity is required (e.g., flyer, registration information, conference schedule)
- The documentation must include the activity date, time, and location
- A Letter of Support from the applicant organization's leadership supporting the individual's participation in the professional development activity is required
- Résumés for individuals participating in the activity are required

Eligibility Requirements

Please review all guidelines carefully for eligibility and program requirements

- Applicants must either be a California-based nonprofit arts organization, artsbased unit of municipal or county government, or tribal government
- All applicants must have a minimum two-year history of consistent engagement in arts programming and/or services prior to the application deadline

Budget Requirements

- Professional Development does **not** have a matching fund requirement
- The total request for funding in this grant program cannot exceed 50% of an organization's total operating revenue from the most recently completed fiscal year, as provided on the Budget Snapshot at the time of application
